It is note that the references (NOs. 11-14) cited in PTO-1449 form of the IDS filed 29 January 2001 are listed under "Foreign Documents". This is incorrect; and thus, examiner has line-crossed these references. And, note that the previous PTO-1449 form mailed 16 August 2002 wherein the references Nos. 11-14 were not line-crossed is considered a mistake. Upon issuing a patent to the current application, examiner considered these references. Yet, in order to put these refrences in the file for patent issurance, examiner incorporates these references in PTO-892.
